Good Morning Cheryl,

Thank you for the information. These two vendors can come in alone and will not need anyone with them when their working?

Good Evening Lashan,

FMSD have used Omega for paint jobs. The two vendors provided are the two we use for painting. Feel free to reach out to another vendor. Keep in mind that if they are not badged, an escort will need to be provided. I will be on vacation starting Monday, November 8 through Monday, November 15. I will reach out to you when I return to see how you are going to proceed. Thanks!

Hi Cheryl,

Do you have to have at least 3 quotes?

Good Morning Lashan and Robert,

Attached is another quote to have Room (b) (7)(C) patched and painted. Be advised that using this company someone from your office will need to be present to provide the escort. That individual will need to remain with the vendor while they are in the building. If you are satisfied with the cost, the bankcard holder in your office can reach out to the company directly. I should be notified after this takes place so I can schedule the work. Many thanks and call me if you have any questions.
